Dear Guests,

Let the celebration begin as we mark our nation's 250th birthday! I am so excited to be sharing this moment with you.

I'm also thrilled to welcome back Kevin Anderson, who is staying with us following his acclaimed run in *Morning After Grace* to reprise his 2018 role as John Adams. What I love about *1776* is that it truly is a show for all ages—a bit of a history lesson, yes, but also filled with wonderful music, energetic dancing, and a great deal of humor. We live in the greatest nation on earth, and we get to celebrate it together. Happy 250th, America!

Speaking of Kevin, I'm not sure I fully appreciated just how accomplished he is. I knew him as the actor who starred opposite Julia Roberts in *Sleeping with the Enemy*, but during his terrific run as Angus in *Morning After Grace* (which was outstanding, by the way!), I had the privilege of learning even more about him. He appeared in *Risky Business* with Tom Cruise—and even shared the screen with Jack Nicholson in *Hoffa*. He's been seen in a wide range of films, including *Rising Sun*, and has built an extensive television résumé with roles in series like *Law and Order: Special Victims Unit*, *Justified: City Primeval* (Netflix/FX), and *Monday Night Mayhem*. A classically trained stage actor, Kevin has also performed on Broadway and at many of the country's most respected regional theaters, bringing remarkable depth and authenticity to every role. We're so happy to have him back, and I know you're going to love him as John Adams.

As you may know, last month wrapped up the USA TODAY voting for Best Dinner Theater in the Nation. While we didn't take the top spot this year as we did last year, finishing #2 in the nation is something I'll take any time! We were edged out by one of the truly great dinner theaters in the country—the very one we patterned the Alhambra after when I purchased it in 2009. I'm proud to congratulate our friends at the New Theater in Overland Park, Kansas. Even so, as the #2 theater in the nation, the spotlight continues to shine brightly on our corner of the theater world—and we have you to thank.

Looking ahead, June brings an exciting lineup in our Alhambra After Dark series, featuring incredible tribute bands celebrating the Everly Brothers, the Doobie Brothers, and one unforgettable night of music from The Beatles, Led Zeppelin, and The Doors—all on one stage. If you've never experienced one of our music events, I encourage you to give it a try (if you can find tickets!). We truly bring the best of the best to the Alhambra stage—if they haven't sold out in Vegas, they're not playing here.

1776 marks the halfway point of our 2026 season, so be sure to secure your seats for what's ahead before they're gone. *Shrek the Musical*, *Saturday Night Fever*, *Meet Me in St. Louis*, and *A Christmas Carole* are all shaping up to be sellout hits.

Thank you again for joining us for *1776*. Enjoy the show!

Your friend,

Craig
